

Robert Gregory Boensch For The United States Congress Speaker of the House
with only one nomination it can happen

If the speaker of the house gains the presidency
Does this person name his or her vice president freely

look at my remonstrance fully.

This part especially

Question Every member of congress that voted to accept the electoral collage votes for Joe Biden. Was a willing Member of this November 3 2020 President election Insurrection And shall be removed from office By the Military? Every member of congress that voted for the articles of impeachment of President Trump. and Every Member of the Senate that Voted for Impeachment of President Trump. Did so as an Act of rebellion against the same And shall be removed from office By the Military?

Question For any body in The United State congress Or in Each State's Senate and House of Representatives." that participated in these crimes. Should they be allowed to vote?

To Those in ~~My State~~ **These States** that accepted the electoral collage votes for Joe Biden

Or that Voted for Impeachment of President Trump.

You can not participate in voting for such relief in this ~~remonstrance~~. **This Speaker of this house vote For Robert Gregory Boensch.**

This is law in Michigan.

The Big Question

Is all laws and actions like this remonstrance Reciprocal?

And a vote for me can pass Because only the members in congress with clean hands can vote.

So President Trump Gave the Power To Us.

And I posted many a view of what I Know and you have shared with me.

If this Happens And I can Name President Donald J Trump as Vice President.

Is This Just like pushing the plunger in my young Days.

I can then resign and Go home in Peace I have to have Peace
and Get back to A life I always Dreamed Of
and try to Farm peacefully at home!

President for an hour or Day What Ever the People Wish for in This Country.

If its OK With Our Commander In Chief President Donald J Trump.

The current Commander In Chief Is President Donald J Trump.

And will be until the war is over. And as the President so I shall serve under HIM.

For we are at war and this is just a Nuclear maneuver President Trump can Use

For I am at his Service
Robert Gregory Boensch.

They all Know Who I Am!

And then this nation can see how much Power President DJT has Given to Us.

Will this Country Change for the Better over Night?

And will the Fear of big Government be Over.
